BIOGRAPHY

Flavio Buzanovsky joined Licks Attorneys' Rio office as a paralegal in 2016 dealing with consumer and regulatory matters and became an attorney at law in 2018. Prior to joining the firm, Flavio has also gained experience as an intern at a prominent Brazilian law firm, where he worked with complex litigation disputes involving international shipping companies.

Flavio holds a CDPO/BR (Certified Data Protection Officer) certification from the IAPP – International Association of Privacy Professionals. He deals with privacy, data protection and cybersecurity issues and for the past years has been working on a series of projects for compliance with the LGPD, helping national and international clients from different industries.

Flavio also aids technology companies with complex regulatory matters.
